Find out more at www.molnlycke.com/wound-support/

What if you could have instant access to support for wound-related decision-making along with suggestions for dressing selection and products?

Now you can.

With the new and easy-to-use **Mölnlycke® Wound Support** tool, support is just a tap away on your mobile or tablet.

- ✓ Product-selection support
- ✓ Guidance on treatment and considerations
- ✓ Easy access to knowledge base

App available on iOS and Android tablets and phones

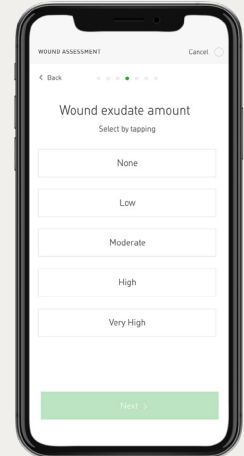

www.molnlycke.com/wound-support/

How-to guide:

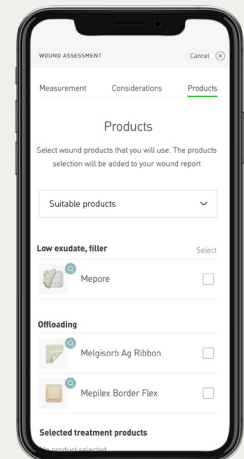

1. Define wound location on the body

2. Provide wound characteristics/information e.g. exudate amount

3. Take a picture of the wound

4. Receive wound measurements*, treatment considerations and suitable Mölnlycke products

*To inform dressing size selection
